Q.49 No sooner had the proposal been circulated (1)/ that objections were raised (2)/ regarding its feasibility and financial implications (3)/ across all departments. (4)

Q.56 The committee debated (1)/ whether the proposed measures (2)/ were adequate enough (3)/ to meet long-term energy goals. (4)

- **Explanation:** Combining "adequate" and "enough" is redundant. Remove "enough" from part (3).

- **Explanation:** Maintain parallel past participle after "might have". Change "cancel" in part (3) to **"cancelled"**.

- **Explanation:** The clause "That there exists no recourse for citizens..." acts as a singular noun clause subject. The verb "underline" in part (3) should be singular: "**underlines**".

Q.63 That none of the representatives found the proposal viable (1)/ is less surprising than the fact (2)/ that neither the chairperson nor the legal counsel (3)/ were briefed beforehand. (4)
